FEEDING DIRECTIONS

Key All Natural Turkey Grower Pellet is a complete feed specially formulated to meet the nutritional requirements of poults from 7 to 14 weeks of age. Provide plenty of fresh clean water at all times. Feed, water, light, temperature and air quality are all important factors in the growth, production and success of your birds. For any questions concerning your feeding program, please contact your Keystone Mills Feed Consultant.

CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.
