FEEDING DIRECTIONS

Feed Key Sheep Grower 16% Pel Bov with good quality forages and/or roughages to meet the nutritional requirements of growing sheep and goats. Free choice salt may be provided. Supply plenty of fresh clean water at all times. For a more specific feeding program, please contact your Keystone Mills Feed Consultant.

CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.

WARNING: A withdrawal period has not been established for this product in pre-ruminating cattle. Do not use in calves to be processed for veal.

CAUTION: Do not allow horses or other equines access to feeds containing Lasalocid as ingestion may be fatal. The safety of Lasalocid for use in unapproved species has not been established.

WARNING: Must Observe feeding directions on label.
