FEEDING DIRECTIONS

Feed Key Goat Lactation 17% Pellet with good quality forages and/or roughages to meet the nutritional requirements of lactating goats. Free choice salt may be provided. Supply plenty of fresh clean water at all times. For a more specific feeding program, please contact your Keystone Mills Feed Consultant.

CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.

WARNING: Must Observe feeding directions on label.
