FEEDING DIRECTIONS

Feed Nature's Trail Goat Lactation 18% Pellet with good quality forages and/or roughages to meet the nutritional requirements of lactating goats. Feed at 3 to 5 lbs per head a day. Free choice salt may be provided. Supply plenty of fresh clean water at all times. For a more specific feeding program, please contact your Keystone Mills Feed Consultant.

CAUTION: Do not feed supplemental selenium in excess of 0.3 ppm in the total nutritional diet.
